WINTER / SPRING 2019

Notes to the Programme

Day walks: 8-10 miles. All are "dry" unless otherwise stated so bring a packed lunch and drink and be prepared to eat it in the open.

Half-day walks: 5-6 miles.

Map references can be identified on Ordnance Survey 1:50,000 Landranger and 1:25,000 Explorer maps.

Most walks are located on Landranger maps 175 and 165 and on Explorer maps 171, Chiltern Hills West and 172, Chiltern Hills East.

Post codes are given to assist those who wish to use Sat Nav to find the start of a walk. It is intended that this will enable you to find the correct street but may be imprecise as to the exact location within the street.

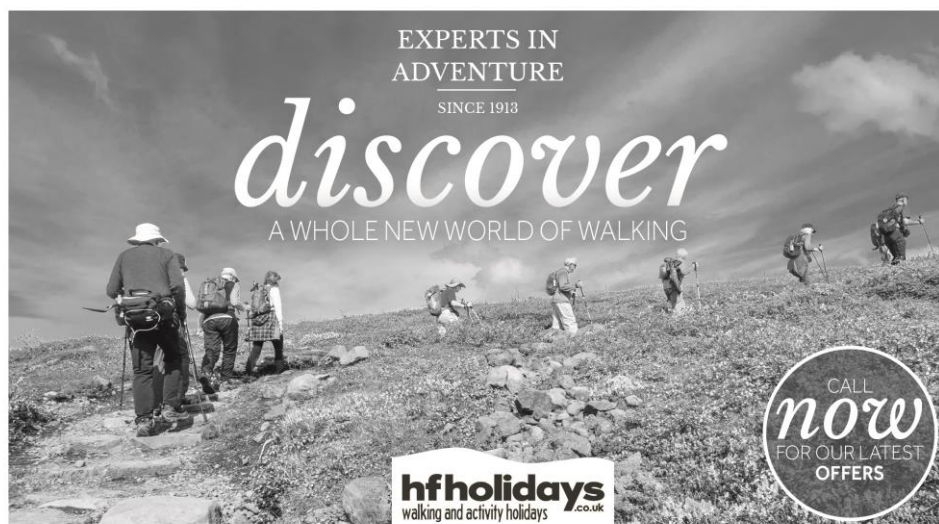

Some walks start in country locations where there is no allocated post code. In these circumstances, if a post code is given, then it is shown italicised and in parenthesis. Whilst Sat Nav will likely bring you to the vicinity of the start location, it will not be precise and may be several hundred metres away.

Dogs are only permitted on walks at the discretion of the leader who must be contacted in advance of the walk.

For the purpose of Safety and Insurance, leaders should be familiar with their route and have "walked it out" previously to check for any alterations. A back marker should be appointed by the leader where necessary. Walkers should stay between the leader and the back marker and advise the leader if they plan to stop for any reason. We do not want to lose anyone.

Membership subscription is £7.50 (single) and £12 (family) annually and is due on 1st January
